## EDUCATION

**Shree Madhyamik School,** Viramgam — *HSC*

2019 - 2020

**GLS University,** Ahmedabad — *BCA*

2020 - 2023

**GLS University,** Ahmedabad — *MCA*

2023 - Current progress

## PROJECTS

**E-com Store (cloth store) :-**
   This e-com store website built on Mern Stack using css3.Developed a working process and fully functional e-commerce platform using React,incorporating user authentication, product listing, detailed product pages, and shopping cart functionality.Utilized Redux for state management and integrated a Node.js/Express backend with MongoDB Atlas for data persistence.Designed a responsive user interface and implemented an admin panel for product and category management.

**Social Media app :-**
   Developed a social media application using the MERN stack, featuring user authentication, post management, friend requests, and interactions such as likes and comments.Utilized React with Redux for state management, styled with Tailwind CSS, and implemented a Node.js/Express backend with MongoDB Atlas for data storage.

**Electronics-E-Hub (Ongoing):-**
   Developing the Electronic E-Hub project, an online platform for an electronic store to sell products effectively.Utilized Next.js for the frontend, styled with Tailwind CSS, and implemented a Node.js/Express backend with MongoDB for data management.This platform provides a one-stop destination for customers to purchase a wide range of electronic items from home.

## SKILLS

**Web Development**

HTML, CSS, Tailwind CSS, JavaScript

**Programing Languages**

Python(Basic), JavaScript

**Backend Development**

Node.js, Express, MongoDB, MySQL(Basic)
